

4th Grade Supply List 2018/19 School Year

FANTASTIC NEWS!

Buying your child's school supplies is going to be quick, easy, and much more inexpensive than it has been in the past.

The 4th grade teachers have created a supply list on DonorsChoose.org. To buy supplies, you can just go to our page on DonorsChoose and make a donation. Once the project is fully funded, all of the kids' school supplies will be sent directly to the school!

What does that mean for me?

You'll avoid spending time waiting in long lines at five different stores, juggling bringing in heavy bags of supplies in the fall, and—the best part—you'll save a lot of money!

How much will it cost?

The suggested donation is **\$50-\$60 per child**. (This is much less expensive than if you bought them all individually!) If you can and would like to donate more than \$60 to sponsor another 261 family, feel free to donate more money. Please donate what you can afford.

When should I go online to pay?

NOW! If we can get this project fully funded before the school year is over, we'll have the supplies unpacked and waiting for your child on the first day of fourth grade!

How do I buy the supplies?

Just type in the link below, and it will take you to our 4th Grade Supply List for PS 261 on DonorsChoose.org:

<https://tinyurl.com/4thGradeSupplies>

*Please note, even though the site is organized by Lindsey Sproul, this page is for supplies for the ENTIRE 4th grade.

We cannot wait to meet your children in the coming year! We are looking forward to welcoming them, and getting a smooth start at the beginning of 4th grade.

Sincerely,
The Fourth Grade Team
